

2023 KFL VOLUNTEER POSITIONS

The KFL will provide training, necessary materials, and assistance for all positions.

Coach:

Lead the team! Responsible for attending any coaches calls (as available), implementing practice plans as provided to teach the skills and rules of flag football. We are looking for people who have some background knowledge and have a passion for teaching kids the great game of football!

Assistant Coach:

Want to be on the field, but can't commit to being the head coach or aren't quite comfortable in that role? We need some help keeping everybody working towards the same goals, staying positive, and learning throughout the season. Multiple assistants help keep things rolling on the sidelines, during drills, and help make the coaching staff a team!

Note: Roles don't need to be 100% defined for the season. A good coaching group can make it work with multiple people involved. Coaches need to complete a background check provided by RMRFA.

Sideline Official:

Officiates the sideline of **THEIR OWN TEAM**, calling out of bounds, offsides, spotting the flag pull and line of scrimmage, and alerting the league referee of any serious penalties. **No football knowledge necessary.** Why ref your own team?? Well, we don't want you to miss your own kids games and we trust our group to keep things fair – we are out there for the kids! **Only 1 per weekend per team is needed, so if you can't do the whole season, that may be okay!!** This role is hugely important to allow the referee to focus on the players on the field more than chasing the spot of the ball.

Game Day Rep:

The league may need assistance in completing paperwork within your community and would cover any fees. Sometimes we just need someone who lives there to go down to an office! Help get fields prepped for play with coning and lining prior to the start of local games. Be a go-to for any onsite questions. This position is still able to watch their own games! This would be a one-time role when hosting.

Team Manager:

Not as taxing as it may sound! Help send emails to the parent list on behalf of the coach and filter back any replies. Bring forward any team concerns to the league. Help coordinate the distribution of gear and assist with items on gamedays if needed.

Raffle Coordinator:

Work with the RMRFA board member in charge of the spring raffle fundraiser to provide all tickets, collect money, reconcile the final amounts and return necessary items to the board. More details to come.
